Werribee Uniting Church

We acknowledge the people of the Kulin alliance, the original custodians of the land which was never ceded and on which our buildings for worship stand and we gather.

Frontier Services.

Today our worship service will be lead James Nevein from Frontier Services.
In 1912, Rev John Flynn founded Australian Inland Mission (AIM) with a vision to bring practical care and spiritual support to people living in the vast, isolated heart of Australia. In 1977, AIM merged with other services of the Uniting Church to form Frontier Services.
Today, Frontier Services supports remote Australians through its network of Bush Chaplains and the Outback Links volunteer program – offering friendship, practical help and hope where it's need most.
There will be a retiring offering at the conclusion of the service to help support the work of Frontier Services.

Holy Communion for December

Church Council advises that for the months of November and December the celebration of Holy Communion will take place on the second Sunday.

The date is 13th December.

Christmas Toys and Food for Uniting

Natalie from "Uniting" has approached us, thanked us for our generous donation of blankets in August, and advised of their need for new Toys for children at Christmas. "Uniting" will be distributing these toys from 19 Duncans Road on 15th,16th and 17th December, and we are all welcome to take a look at their program on any of these days.

If you would like to donate a NEW toy, Game, or Book - they can be left in the 'Gifts for Uniting" basket at the front of the Church each Sunday. (Toys will need to be donated by 10th December please) You may also like to donate non perishable food. That too will be delivered to Uniting prior to Christmas.
Thankyou, Margaret Gook.

Great Cycle Challenge: My 8th Year!

We did it! 💙❤️

Thanks to your support, encouragement and donations, I achieved my October goal of riding 200 km in the Great Cycle Challenge, supporting the fight against kids' cancer.

Together, we've already raised $607 towards my $1,000 fundraising goal. Thank you! But there's still time to make an even bigger difference.

❤️ Help me reach $1,000 and I'll ride another 100 km!

With your support, I'm ready to keep going. If we reach the $1,000 fundraising goal, I'll add another 100 km to my challenge, taking my total ride to 300 km.

There are two easy ways to support:

💻 **Donate online:** Donate through my Great Cycle Challenge fundraising page (www.greatcyclechallenge.com.au/Riders/LuciaNaManrique)

💵 **Donate cash**: You can also give a cash donation directly to me when possible.

Every donation, big or small, helps support the fight against kids' cancer.

🚲 **Community Ride for the Kids!**

And I'd love some company for part of those extra kilometres!

I'm inviting anyone who would like to join me for a 20 km return community ride from Point Cook towards Altona.

Want to join me? Come and have a chat with me and I'll share the details.

8 years riding. 200 km achieved this year. Together, let's reach $1,000 and I'll keep pedalling to 300 km!

🚴 💙❤️ Thank you! Luciana
