Notes from Church Council.

Council agreed to continue with Werribee & District Historical Society hiring No.21 Manse. This is subject to Property Services approval.

Property Committee is seeking a new contractor to remove the large tree at the corner of Duncans Rd. and Synott St. due to its condition.

The renovations to the rear wall of the hall have been completed as a make safe construction. The next step is to receive the structural engineers report and discuss what is needed for us to get the use of the hall back in operation together with the use of the ramp.

No news yet from Synod Placements Committee regarding a name coming forward for us to consider for a minister's position. So, our JNC committee still in limbo.

Thanks, Ken Storey.
