We acknowledge the people of the Kulin alliance, the original custodians of the land which was never ceded and on which our buildings for worship stand and we gather.

## 18 February 2024: Lent 1

### Musings from Rev. Mark Dunn

Ask anyone who grew up Catholic what they're doing for Lent and they'll probably tell you what they're "giving up". The notion of giving up some pleasure for the 40 days of Lent is very much in keeping with the penitential character of the season.

The primary pillars of Lent for all Christians are prayer, fasting, and sacrificial giving. These are intended to turn our hearts back to God, to purify us and prepare us for the celebration of Christ's resurrection at Easter. One of the things that the whole Church gives up for Lent is the acclamation "Alleluia".

I really like the Pope's list - in fact I'm becoming a bit of a fan of this Pope: *Do you want to fast for this Lent?*

- *Fast from hurting words and say kind words.*
- *Fast from sadness and be filled with gratitude.*
- *Fast from anger and be filled with patience.*
- *Fast from pessimism and be filled with hope.*
- *Fast from worries and trust in God.*
- *Fast from complaints and contemplate simplicity.*
- *Fast from pressures and be prayerful.*
- *Fast from bitterness and fill your heart with joy.*
- *Fast from selfishness and be considerate to others.*
- *Fast from grudges and be reconciled.*
- *Fast from words and be silent so you can listen.*

Some years I've been too ambitious with my goals and then been deflated when I've not been able to keep that discipline.

So, this year, I'm trying a different tack. For Lent, I'm trying to give up a grudge that I've been quietly carrying around for a while. I've also given up lifts and escalators, as an occasional reminder of my tendency to take the easy path. Time will tell, but I think I might make it all the way to Easter this year. How about you?

## Where are the memorials?

Where are Australia's memorials to the fallen First Nations people?

Recently I sat in Electra Street Uniting Church, Williamstown and looked up at large ornate wooden memorial plaques dedicated to the soldiers of two world wars.

My two brothers, Alan and Brian have their names and service recorded on an honour board in Meeniyan Uniting Church, South Gippsland.

Many churches throughout Australia followed the civil religion's remembrance of young men killed in fighting foreign wars, evidenced by granite columns and statues in public places, such as Station Place, Werribee.

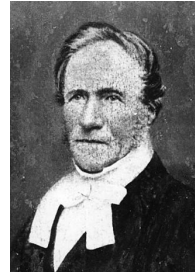

Henry Reynolds, writing in *Why Weren't We Told?* (Penguin books 1999) records the documentary evidence gathered to verify the reality of frontier violence and Aboriginal resistance during the first century of invasion and occupation by settler Europeans. His examination of school texts and histories of Australia written by academic historians shows that up to the 1960s, Aboriginal presence in this country was ignored.

There was no peaceful settlement but violent encounters in every part of this country.

The map of this country is sprinkled with European names carrying a sinister message: "Murdering Plains, Fighting Hills, Skeleton Creek, Convincing Ground." The memory of wars fought between invading settlers and Aborigines has been expunged, replaced by a great silence.

I note that to date the Australian War Memorial in Canberra has refused to acknowledge the more than 20,000 deaths of blacks and whites during the struggle for seizure of Country occupied by blacks for more than 60,000 years.

Why weren't we told; and why is there hateful resistance to telling the truth?

I remember sitting in St Andrews Presbyterian Church, Queenscliff as a teenager, looking at the memorial tablet to the Rev. James Clow, (pictured) a pioneer Christian minister who seized 140 acres of land in 1839 from the custodians of Country that he called "Oakhill" near Point Lonsdale. Clow then

occupied 36 square miles of land he called "Tirhatuan" near Dandenong. What happened to Clow's dispossessed blacks, denied their food sources? Where is their memorial?

Australia's occupation demands truthfulness. (NT)

## An important occasion

Last Sunday's celebration of the joining of our two former congregations to create this Werribee Uniting congregation was an important occasion that will have continuing and valuable ramifications for our joint life. The new church council has a vital role to play in setting new directions in response to God's call, and prayerful support from every member of the congregation is needed.

## Faithful Futures Project

Our Synod is working to prepare the Church for the next 10–15 years. There are common challenges and opportunities for the Church across Victoria and Tasmania. Some of the challenges include the changing age profile and size of congregations, the availability of leadership, and the burden of property maintenance. Some of the opportunities include growing in ways of worship, witness and service that are already being experimented with, listening for where God's Spirit is inviting us to reach out in faith, love and hope.

Our vision is summed up as *Following Christ, walking together as First and Second Peoples, seeking community, compassion and justice for all creation.*

A letter from the Moderator, David Fotheringham, providing more detail can be obtained from the office.

Our Synod is working to prepare the Church for the next 10–15 years. There are common challenges and opportunities for the Church across Victoria and Tasmania. Some of the challenges include the changing age profile and size of congregations, the availability of leadership, and the burden of property maintenance. Some of the opportunities include growing in ways of worship, witness and service that are already being experimented with, listening for where God's Spirit is inviting us to reach out in faith, love and hope.

Our vision is summed up as *Following Christ, walking together as First and Second Peoples, seeking community, compassion and justice for all creation.*

A letter from the Moderator, David Fotheringham, providing more detail can be obtained from the office.

## 18 February 2024: Lent 1

### Musings from Rev. Mark Dunn

Ask anyone who grew up Catholic what they're doing for Lent and they'll probably tell you what they're "giving up". The notion of giving up some pleasure for the 40 days of Lent is very much in keeping with the penitential character of the season.

The primary pillars of Lent for all Christians are prayer, fasting, and sacrificial giving. These are intended to turn our hearts back to God, to purify us and prepare us for the celebration of Christ's resurrection at Easter. One of the things that the whole Church gives up for Lent is the acclamation "Alleluia".

I really like the Pope's list - in fact I'm becoming a bit of a fan of this Pope: *Do you want to fast for this Lent?*

- *Fast from hurting words and say kind words.*
- *Fast from sadness and be filled with gratitude.*
- *Fast from anger and be filled with patience.*
- *Fast from pessimism and be filled with hope.*
- *Fast from worries and trust in God.*
- *Fast from complaints and contemplate simplicity.*
- *Fast from pressures and be prayerful.*
- *Fast from bitterness and fill your heart with joy.*
- *Fast from selfishness and be considerate to others.*
- *Fast from grudges and be reconciled.*
- *Fast from words and be silent so you can listen.*

Some years I've been too ambitious with my goals and then been deflated when I've not been able to keep that discipline.

So, this year, I'm trying a different tack. For Lent, I'm trying to give up a grudge that I've been quietly carrying around for a while. I've also given up lifts and escalators, as an occasional reminder of my tendency to take the easy path. Time will tell, but I think I might make it all the way to Easter this year. How about you?

## Where are the memorials?

Where are Australia's memorials to the fallen First Nations people?

Recently I sat in Electra Street Uniting Church, Williamstown and looked up at large ornate wooden memorial plaques dedicated to the soldiers of two world wars.

My two brothers, Alan and Brian have their names and service recorded on an honour board in Meeniyan Uniting Church, South Gippsland.

Many churches throughout Australia followed the civil religion's remembrance of young men killed in fighting foreign wars, evidenced by granite columns and statues in public places, such as Station Place, Werribee.

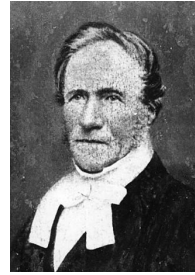

Henry Reynolds, writing in *Why Weren't We Told?* (Penguin books 1999) records the documentary evidence gathered to verify the reality of frontier violence and Aboriginal resistance during the first century of invasion and occupation by settler Europeans. His examination of school texts and histories of Australia written by academic historians shows that up to the 1960s, Aboriginal presence in this country was ignored.

There was no peaceful settlement but violent encounters in every part of this country.

The map of this country is sprinkled with European names carrying a sinister message: "Murdering Plains, Fighting Hills, Skeleton Creek, Convincing Ground." The memory of wars fought between invading settlers and Aborigines has been expunged, replaced by a great silence.

I note that to date the Australian War Memorial in Canberra has refused to acknowledge the more than 20,000 deaths of blacks and whites during the struggle for seizure of Country occupied by blacks for more than 60,000 years.

Why weren't we told; and why is there hateful resistance to telling the truth?

I remember sitting in St Andrews Presbyterian Church, Queenscliff as a teenager, looking at the memorial tablet to the Rev. James Clow, (pictured) a pioneer Christian minister who seized 140 acres of land in 1839 from the custodians of Country that he called "Oakhill" near Point Lonsdale. Clow then

occupied 36 square miles of land he called "Tirhatuan" near Dandenong. What happened to Clow's dispossessed blacks, denied their food sources? Where is their memorial?

Australia's occupation demands truthfulness. (NT)

## An important occasion

Last Sunday's celebration of the joining of our two former congregations to create this Werribee Uniting congregation was an important occasion that will have continuing and valuable ramifications for our joint life. The new church council has a vital role to play in setting new directions in response to God's call, and prayerful support from every member of the congregation is needed.

## An important occasion

Last Sunday's celebration of the joining of our two former congregations to create this Werribee Uniting congregation was an important occasion that will have continuing and valuable ramifications for our joint life. The new church council has a vital role to play in setting new directions in response to God's call, and prayerful support from every member of the congregation is needed.

## Faithful Futures Project

Our Synod is working to prepare the Church for the next 10–15 years. There are common challenges and opportunities for the Church across Victoria and Tasmania. Some of the challenges include the changing age profile and size of congregations, the availability of leadership, and the burden of property maintenance. Some of the opportunities include growing in ways of worship, witness and service that are already being experimented with, listening for where God's Spirit is inviting us to reach out in faith, love and hope.

Our vision is summed up as *Following Christ, walking together as First and Second Peoples, seeking community, compassion and justice for all creation.*

A letter from the Moderator, David Fotheringham, providing more detail can be obtained from the office.

We acknowledge the people of the Kulin alliance, the original custodians of the land which was never ceded and on which our buildings for worship stand and we gather.

## 18 February 2024: Lent 1

### Musings from Rev. Mark Dunn

Ask anyone who grew up Catholic what they're doing for Lent and they'll probably tell you what they're "giving up". The notion of giving up some pleasure for the 40 days of Lent is very much in keeping with the penitential character of the season.

The primary pillars of Lent for all Christians are prayer, fasting, and sacrificial giving. These are intended to turn our hearts back to God, to purify us and prepare us for the celebration of Christ's resurrection at Easter. One of the things that the whole Church gives up for Lent is the acclamation "Alleluia".

I really like the Pope's list - in fact I'm becoming a bit of a fan of this Pope: *Do you want to fast for this Lent?*

- *Fast from hurting words and say kind words.*
- *Fast from sadness and be filled with gratitude.*
- *Fast from anger and be filled with patience.*
- *Fast from pessimism and be filled with hope.*
- *Fast from worries and trust in God.*
- *Fast from complaints and contemplate simplicity.*
- *Fast from pressures and be prayerful.*
- *Fast from bitterness and fill your heart with joy.*
- *Fast from selfishness and be considerate to others.*
- *Fast from grudges and be reconciled.*
- *Fast from words and be silent so you can listen.*

Some years I've been too ambitious with my goals and then been deflated when I've not been able to keep that discipline.

So, this year, I'm trying a different tack. For Lent, I'm trying to give up a grudge that I've been quietly carrying around for a while. I've also given up lifts and escalators, as an occasional reminder of my tendency to take the easy path. Time will tell, but I think I might make it all the way to Easter this year. How about you?

## Where are the memorials?

Where are Australia's memorials to the fallen First Nations people?

Recently I sat in Electra Street Uniting Church, Williamstown and looked up at large ornate wooden memorial plaques dedicated to the soldiers of two world wars.

My two brothers, Alan and Brian have their names and service recorded on an honour board in Meeniyan Uniting Church, South Gippsland.

Many churches throughout Australia followed the civil religion's remembrance of young men killed in fighting foreign wars, evidenced by granite columns and statues in public places, such as Station Place, Werribee.

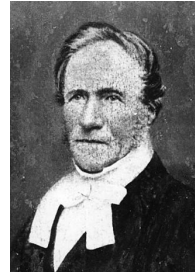

Henry Reynolds, writing in *Why Weren't We Told?* (Penguin books 1999) records the documentary evidence gathered to verify the reality of frontier violence and Aboriginal resistance during the first century of invasion and occupation by settler Europeans. His examination of school texts and histories of Australia written by academic historians shows that up to the 1960s, Aboriginal presence in this country was ignored.

There was no peaceful settlement but violent encounters in every part of this country.

The map of this country is sprinkled with European names carrying a sinister message: "Murdering Plains, Fighting Hills, Skeleton Creek, Convincing Ground." The memory of wars fought between invading settlers and Aborigines has been expunged, replaced by a great silence.

I note that to date the Australian War Memorial in Canberra has refused to acknowledge the more than 20,000 deaths of blacks and whites during the struggle for seizure of Country occupied by blacks for more than 60,000 years.

Why weren't we told; and why is there hateful resistance to telling the truth?

I remember sitting in St Andrews Presbyterian Church, Queenscliff as a teenager, looking at the memorial tablet to the Rev. James Clow, (pictured) a pioneer Christian minister who seized 140 acres of land in 1839 from the custodians of Country that he called "Oakhill" near Point Lonsdale. Clow then

There was no peaceful settlement but violent encounters in every part of this country.

The map of this country is sprinkled with European names carrying a sinister message: "Murdering Plains, Fighting Hills, Skeleton Creek, Convincing Ground." The memory of wars fought between invading settlers and Aborigines has been expunged, replaced by a great silence.

I note that to date the Australian War Memorial in Canberra has refused to acknowledge the more than 20,000 deaths of blacks and whites during the struggle for seizure of Country occupied by blacks for more than 60,000 years.

Why weren't we told; and why is there hateful resistance to telling the truth?

I remember sitting in St Andrews Presbyterian Church, Queenscliff as a teenager, looking at the memorial tablet to the Rev. James Clow, (pictured) a pioneer Christian minister who seized 140 acres of land in 1839 from the custodians of Country that he called "Oakhill" near Point Lonsdale. Clow then

occupied 36 square miles of land he called "Tirhatuan" near Dandenong. What happened to Clow's dispossessed blacks, denied their food sources? Where is their memorial?

## An important occasion

Last Sunday's celebration of the joining of our two former congregations to create this Werribee Uniting congregation was an important occasion that will have continuing and valuable ramifications for our joint life. The new church council has a vital role to play in setting new directions in response to God's call, and prayerful support from every member of the congregation is needed.

## Faithful Futures Project

Our Synod is working to prepare the Church for the next 10–15 years. There are common challenges and opportunities for the Church across Victoria and Tasmania. Some of the challenges include the changing age profile and size of congregations, the availability of leadership, and the burden of property maintenance. Some of the opportunities include growing in ways of worship, witness and service that are already being experimented with, listening for where God's Spirit is inviting us to reach out in faith, love and hope.

Our vision is summed up as *Following Christ, walking together as First and Second Peoples, seeking community, compassion and justice for all creation.*

A letter from the Moderator, David Fotheringham, providing more detail can be obtained from the office.

We acknowledge the people of the Kulin alliance, the original custodians of the land which was never ceded and on which our buildings for worship stand and we gather.

## 18 February 2024: Lent 1

### Musings from Rev. Mark Dunn

Ask anyone who grew up Catholic what they're doing for Lent and they'll probably tell you what they're "giving up". The notion of giving up some pleasure for the 40 days of Lent is very much in keeping with the penitential character of the season.

The primary pillars of Lent for all Christians are prayer, fasting, and sacrificial giving. These are intended to turn our hearts back to God, to purify us and prepare us for the celebration of Christ's resurrection at Easter. One of the things that the whole Church gives up for Lent is the acclamation "Alleluia".

I really like the Pope's list - in fact I'm becoming a bit of a fan of this Pope: *Do you want to fast for this Lent?*

- *Fast from hurting words and say kind words.*
- *Fast from sadness and be filled with gratitude.*
- *Fast from anger and be filled with patience.*
- *Fast from pessimism and be filled with hope.*
- *Fast from worries and trust in God.*
- *Fast from complaints and contemplate simplicity.*
- *Fast from pressures and be prayerful.*
- *Fast from bitterness and fill your heart with joy.*
- *Fast from selfishness and be considerate to others.*
- *Fast from grudges and be reconciled.*
- *Fast from words and be silent so you can listen.*

Some years I've been too ambitious with my goals and then been deflated when I've not been able to keep that discipline.

So, this year, I'm trying a different tack. For Lent, I'm trying to give up a grudge that I've been quietly carrying around for a while. I've also given up lifts and escalators, as an occasional reminder of my tendency to take the easy path. Time will tell, but I think I might make it all the way to Easter this year. How about you?

## Where are the memorials?

Where are Australia's memorials to the fallen First Nations people?

Recently I sat in Electra Street Uniting Church, Williamstown and looked up at large ornate wooden memorial plaques dedicated to the soldiers of two world wars.

My two brothers, Alan and Brian have their names and service recorded on an honour board in Meeniyan Uniting Church, South Gippsland.

Many churches throughout Australia followed the civil religion's remembrance of young men killed in fighting foreign wars, evidenced by granite columns and statues in public places, such as Station Place, Werribee.

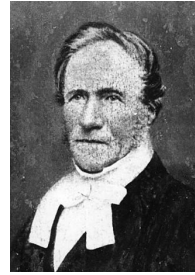

Henry Reynolds, writing in *Why Weren't We Told?* (Penguin books 1999) records the documentary evidence gathered to verify the reality of frontier violence and Aboriginal resistance during the first century of invasion and occupation by settler Europeans. His examination of school texts and histories of Australia written by academic historians shows that up to the 1960s, Aboriginal presence in this country was ignored.

Recently I sat in Electra Street Uniting Church, Williamstown and looked up at large ornate wooden memorial plaques dedicated to the soldiers of two world wars.

My two brothers, Alan and Brian have their names and service recorded on an honour board in Meeniyun Uniting Church, South Gippsland.

Many churches throughout Australia followed the civil religion's remembrance of young men killed in fighting foreign wars, evidenced by granite columns and statues in public places, such as Station Place, Werribee.

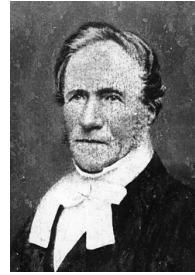

Henry Reynolds, writing in *Why Weren't We Told?* (Penguin books 1999) records the documentary evidence gathered to verify the reality of frontier violence and Aboriginal resistance during the first century of invasion and occupation by settler Europeans. His examination of school texts and histories of Australia written by academic historians shows that up to the 1960s, Aboriginal presence in this country was ignored.

There was no peaceful settlement but violent encounters in every part of this country.

The map of this country is sprinkled with European names carrying a sinister message: "Murdering Plains, Fighting Hills, Skeleton Creek, Convincing Ground." The memory of wars fought between invading settlers and Aborigines has been expunged, replaced by a great silence.

I note that to date the Australian War Memorial in Canberra has refused to acknowledge the more than 20,000 deaths of blacks and whites during the struggle for seizure of Country occupied by blacks for more than 60,000 years.

Why weren't we told; and why is there hateful resistance to telling the truth?

I remember sitting in St Andrews Presbyterian Church, Queenscliff as a teenager, looking at the memorial tablet to the Rev. James Clow, (pictured) a pioneer Christian minister who seized 140 acres of land in 1839 from the custodians of Country that he called "Oakhill" near Point Lonsdale. Clow then

occupied 36 square miles of land he called "Tirhatuan" near Dandenong. What happened to Clow's dispossessed blacks, denied their food sources? Where is their memorial?

## An important occasion

Last Sunday's celebration of the joining of our two former congregations to create this Werribee Uniting congregation was an important occasion that will have continuing and valuable ramifications for our joint life. The new church council has a vital role to play in setting new directions in response to God's call, and prayerful support from every member of the congregation is needed.

## Faithful Futures Project

Our Synod is working to prepare the Church for the next 10–15 years. There are common challenges and opportunities for the Church across Victoria and Tasmania. Some of the challenges include the changing age profile and size of congregations, the availability of leadership, and the burden of property maintenance. Some of the opportunities include growing in ways of worship, witness and service that are already being experimented with, listening for where God's Spirit is inviting us to reach out in faith, love and hope.

Our vision is summed up as *Following Christ, walking together as First and Second Peoples, seeking community, compassion and justice for all creation.*

A letter from the Moderator, David Fotheringham, providing more detail can be obtained from the office.

## 18 February 2024: Lent 1

### Musings from Rev. Mark Dunn

Ask anyone who grew up Catholic what they're doing for Lent and they'll probably tell you what they're "giving up". The notion of giving up some pleasure for the 40 days of Lent is very much in keeping with the penitential character of the season.

The primary pillars of Lent for all Christians are prayer, fasting, and sacrificial giving. These are intended to turn our hearts back to God, to purify us and prepare us for the celebration of Christ's resurrection at Easter. One of the things that the whole Church gives up for Lent is the acclamation "Alleluia".

I really like the Pope's list - in fact I'm becoming a bit of a fan of this Pope: *Do you want to fast for this Lent?*

- *Fast from hurting words and say kind words.*
- *Fast from sadness and be filled with gratitude.*
- *Fast from anger and be filled with patience.*
- *Fast from pessimism and be filled with hope.*
- *Fast from worries and trust in God.*
- *Fast from complaints and contemplate simplicity.*
- *Fast from pressures and be prayerful.*
- *Fast from bitterness and fill your heart with joy.*
- *Fast from selfishness and be considerate to others.*
- *Fast from grudges and be reconciled.*
- *Fast from words and be silent so you can listen.*

Some years I've been too ambitious with my goals and then been deflated when I've not been able to keep that discipline.

So, this year, I'm trying a different tack. For Lent, I'm trying to give up a grudge that I've been quietly carrying around for a while. I've also given up lifts and escalators, as an occasional reminder of my tendency to take the easy path. Time will tell, but I think I might make it all the way to Easter this year. How about you?

## Where are the memorials?

Where are Australia's memorials to the fallen First Nations people?

Recently I sat in Electra Street Uniting Church, Williamstown and looked up at large ornate wooden memorial plaques dedicated to the soldiers of two world wars.

My two brothers, Alan and Brian have their names and service recorded on an honour board in Meeniyun Uniting Church, South Gippsland.

Many churches throughout Australia followed the civil religion's remembrance of young men killed in fighting foreign wars, evidenced by granite columns and statues in public places, such as Station Place, Werribee.

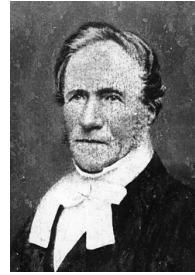

Henry Reynolds, writing in *Why Weren't We Told?* (Penguin books 1999) records the documentary evidence gathered to verify the reality of frontier violence and Aboriginal resistance during the first century of invasion and occupation by settler Europeans. His examination of school texts and histories of Australia written by academic historians shows that up to the 1960s, Aboriginal presence in this country was ignored.

There was no peaceful settlement but violent encounters in every part of this country.

The map of this country is sprinkled with European names carrying a sinister message: "Murdering Plains, Fighting Hills, Skeleton Creek, Convincing Ground." The memory of wars fought between invading settlers and Aborigines has been expunged, replaced by a great silence.

I note that to date the Australian War Memorial in Canberra has refused to acknowledge the more than 20,000 deaths of blacks and whites during the struggle for seizure of Country occupied by blacks for more than 60,000 years.

Why weren't we told; and why is there hateful resistance to telling the truth?

I remember sitting in St Andrews Presbyterian Church, Queenscliff as a teenager, looking at the memorial tablet to the Rev. James Clow, (pictured) a pioneer Christian minister who seized 140 acres of land in 1839 from the custodians of Country that he called "Oakhill" near Point Lonsdale. Clow then

occupied 36 square miles of land he called "Tirhatuan" near Dandenong. What happened to Clow's dispossessed blacks, denied their food sources? Where is their memorial?

## An important occasion

Last Sunday's celebration of the joining of our two former congregations to create this Werribee Uniting congregation was an important occasion that will have continuing and valuable ramifications for our joint life. The new church council has a vital role to play in setting new directions in response to God's call, and prayerful support from every member of the congregation is needed.

## Faithful Futures Project

Our Synod is working to prepare the Church for the next 10–15 years. There are common challenges and opportunities for the Church across Victoria and Tasmania. Some of the challenges include the changing age profile and size of congregations, the availability of leadership, and the burden of property maintenance. Some of the opportunities include growing in ways of worship, witness and service that are already being experimented with, listening for where God's Spirit is inviting us to reach out in faith, love and hope.

Our vision is summed up as *Following Christ, walking together as First and Second Peoples, seeking community, compassion and justice for all creation.*

A letter from the Moderator, David Fotheringham, providing more detail can be obtained from the office.

## 18 February 2024: Lent 1

### Musings from Rev. Mark Dunn

Ask anyone who grew up Catholic what they're doing for Lent and they'll probably tell you what they're "giving up". The notion of giving up some pleasure for the 40 days of Lent is very much in keeping with the penitential character of the season.

The primary pillars of Lent for all Christians are prayer, fasting, and sacrificial giving. These are intended to turn our hearts back to God, to purify us and prepare us for the celebration of Christ's resurrection at Easter. One of the things that the whole Church gives up for Lent is the acclamation "Alleluia".

I really like the Pope's list - in fact I'm becoming a bit of a fan of this Pope: *Do you want to fast for this Lent?*

- *Fast from hurting words and say kind words.*
- *Fast from sadness and be filled with gratitude.*
- *Fast from anger and be filled with patience.*
- *Fast from pessimism and be filled with hope.*
- *Fast from worries and trust in God.*
- *Fast from complaints and contemplate simplicity.*
- *Fast from pressures and be prayerful.*
- *Fast from bitterness and fill your heart with joy.*
- *Fast from selfishness and be considerate to others.*
- *Fast from grudges and be reconciled.*
- *Fast from words and be silent so you can listen.*

Some years I've been too ambitious with my goals and then been deflated when I've not been able to keep that discipline.

So, this year, I'm trying a different tack. For Lent, I'm trying to give up a grudge that I've been quietly carrying around for a while. I've also given up lifts and escalators, as an occasional reminder of my tendency to take the easy path. Time will tell, but I think I might make it all the way to Easter this year. How about you?

## Where are the memorials?

Where are Australia's memorials to the fallen First Nations people?

Recently I sat in Electra Street Uniting Church, Williamstown and looked up at large ornate wooden memorial plaques dedicated to the soldiers of two world wars.

My two brothers, Alan and Brian have their names and service recorded on an honour board in Meeniyan Uniting Church, South Gippsland.

Many churches throughout Australia followed the civil religion's remembrance of young men killed in fighting foreign wars, evidenced by granite columns and statues in public places, such as Station Place, Werribee.

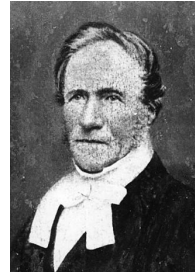

Henry Reynolds, writing in *Why Weren't We Told?* (Penguin books 1999) records the documentary evidence gathered to verify the reality of frontier violence and Aboriginal resistance during the first century of invasion and occupation by settler Europeans. His examination of school texts and histories of Australia written by academic historians shows that up to the 1960s, Aboriginal presence in this country was ignored.

There was no peaceful settlement but violent encounters in every part of this country.

The map of this country is sprinkled with European names carrying a sinister message: "Murdering Plains, Fighting Hills, Skeleton Creek, Convincing Ground." The memory of wars fought between invading settlers and Aborigines has been expunged, replaced by a great silence.

I note that to date the Australian War Memorial in Canberra has refused to acknowledge the more than 20,000 deaths of blacks and whites during the struggle for seizure of Country occupied by blacks for more than 60,000 years.

Why weren't we told; and why is there hateful resistance to telling the truth?

I remember sitting in St Andrews Presbyterian Church, Queenscliff as a teenager, looking at the memorial tablet to the Rev. James Clow, (pictured) a pioneer Christian minister who seized 140 acres of land in 1839 from the custodians of Country that he called "Oakhill" near Point Lonsdale. Clow then

occupied 36 square miles of land he called "Tirhatuan" near Dandenong. What happened to Clow's dispossessed blacks, denied their food sources? Where is their memorial?

## An important occasion

Last Sunday's celebration of the joining of our two former congregations to create this Werribee Uniting congregation was an important occasion that will have continuing and valuable ramifications for our joint life. The new church council has a vital role to play in setting new directions in response to God's call, and prayerful support from every member of the congregation is needed.

## Faithful Futures Project

Our Synod is working to prepare the Church for the next 10–15 years. There are common challenges and opportunities for the Church across Victoria and Tasmania. Some of the challenges include the changing age profile and size of congregations, the availability of leadership, and the burden of property maintenance. Some of the opportunities include growing in ways of worship, witness and service that are already being experimented with, listening for where God's Spirit is inviting us to reach out in faith, love and hope.

Our vision is summed up as *Following Christ, walking together as First and Second Peoples, seeking community, compassion and justice for all creation.*

A letter from the Moderator, David Fotheringham, providing more detail can be obtained from the office.

## 18 February 2024: Lent 1

### Musings from Rev. Mark Dunn

Ask anyone who grew up Catholic what they're doing for Lent and they'll probably tell you what they're "giving up". The notion of giving up some pleasure for the 40 days of Lent is very much in keeping with the penitential character of the season.

The primary pillars of Lent for all Christians are prayer, fasting, and sacrificial giving. These are intended to turn our hearts back to God, to purify us and prepare us for the celebration of Christ's resurrection at Easter. One of the things that the whole Church gives up for Lent is the acclamation "Alleluia".

I really like the Pope's list - in fact I'm becoming a bit of a fan of this Pope: *Do you want to fast for this Lent?*

- *Fast from hurting words and say kind words.*
- *Fast from sadness and be filled with gratitude.*
- *Fast from anger and be filled with patience.*
- *Fast from pessimism and be filled with hope.*
- *Fast from worries and trust in God.*
- *Fast from complaints and contemplate simplicity.*
- *Fast from pressures and be prayerful.*
- *Fast from bitterness and fill your heart with joy.*
- *Fast from selfishness and be considerate to others.*
- *Fast from grudges and be reconciled.*
- *Fast from words and be silent so you can listen.*

Some years I've been too ambitious with my goals and then been deflated when I've not been able to keep that discipline.

So, this year, I'm trying a different tack. For Lent, I'm trying to give up a grudge that I've been quietly carrying around for a while. I've also given up lifts and escalators, as an occasional reminder of my tendency to take the easy path. Time will tell, but I think I might make it all the way to Easter this year. How about you?

## Where are the memorials?

Where are Australia's memorials to the fallen First Nations people?

Recently I sat in Electra Street Uniting Church, Williamstown and looked up at large ornate wooden memorial plaques dedicated to the soldiers of two world wars.

My two brothers, Alan and Brian have their names and service recorded on an honour board in Meeniyan Uniting Church, South Gippsland.

Many churches throughout Australia followed the civil religion's remembrance of young men killed in fighting foreign wars, evidenced by granite columns and statues in public places, such as Station Place, Werribee.

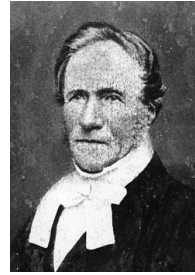

Henry Reynolds, writing in *Why Weren't We Told?* (Penguin books 1999) records the documentary evidence gathered to verify the reality of frontier violence and Aboriginal resistance during the first century of invasion and occupation by settler Europeans. His examination of school texts and histories of Australia written by academic historians shows that up to the 1960s, Aboriginal presence in this country was ignored.

There was no peaceful settlement but violent encounters in every part of this country.

The map of this country is sprinkled with European names carrying a sinister message: "Murdering Plains, Fighting Hills, Skeleton Creek, Convincing Ground." The memory of wars fought between invading settlers and Aborigines has been expunged, replaced by a great silence.

I note that to date the Australian War Memorial in Canberra has refused to acknowledge the more than 20,000 deaths of blacks and whites during the struggle for seizure of Country occupied by blacks for more than 60,000 years.

Why weren't we told; and why is there hateful resistance to telling the truth?

I remember sitting in St Andrews Presbyterian Church, Queenscliff as a teenager, looking at the memorial tablet to the Rev. James Clow, (pictured) a pioneer Christian minister who seized 140 acres of land in 1839 from the custodians of Country that he called "Oakhill" near Point Lonsdale. Clow then

occupied 36 square miles of land he called "Tirhatuan" near Dandenong. What happened to Clow's dispossessed blacks, denied their food sources? Where is their memorial?

## An important occasion

Last Sunday's celebration of the joining of our two former congregations to create this Werribee Uniting congregation was an important occasion that will have continuing and valuable ramifications for our joint life. The new church council has a vital role to play in setting new directions in response to God's call, and prayerful support from every member of the congregation is needed.

## Faithful Futures Project

Our Synod is working to prepare the Church for the next 10–15 years. There are common challenges and opportunities for the Church across Victoria and Tasmania. Some of the challenges include the changing age profile and size of congregations, the availability of leadership, and the burden of property maintenance. Some of the opportunities include growing in ways of worship, witness and service that are already being experimented with, listening for where God's Spirit is inviting us to reach out in faith, love and hope.

Our vision is summed up as *Following Christ, walking together as First and Second Peoples, seeking community, compassion and justice for all creation.*

A letter from the Moderator, David Fotheringham, providing more detail can be obtained from the office.

## 18 February 2024: Lent 1

### Musings from Rev. Mark Dunn

Ask anyone who grew up Catholic what they're doing for Lent and they'll probably tell you what they're "giving up". The notion of giving up some pleasure for the 40 days of Lent is very much in keeping with the penitential character of the season.

The primary pillars of Lent for all Christians are prayer, fasting, and sacrificial giving. These are intended to turn our hearts back to God, to purify us and prepare us for the celebration of Christ's resurrection at Easter. One of the things that the whole Church gives up for Lent is the acclamation "Alleluia".

I really like the Pope's list - in fact I'm becoming a bit of a fan of this Pope: *Do you want to fast for this Lent?*

- *Fast from hurting words and say kind words.*
- *Fast from sadness and be filled with gratitude.*
- *Fast from anger and be filled with patience.*
- *Fast from pessimism and be filled with hope.*
- *Fast from worries and trust in God.*
- *Fast from complaints and contemplate simplicity.*
- *Fast from pressures and be prayerful.*
- *Fast from bitterness and fill your heart with joy.*
- *Fast from selfishness and be considerate to others.*
- *Fast from grudges and be reconciled.*
- *Fast from words and be silent so you can listen.*

Some years I've been too ambitious with my goals and then been deflated when I've not been able to keep that discipline.

So, this year, I'm trying a different tack. For Lent, I'm trying to give up a grudge that I've been quietly carrying around for a while. I've also given up lifts and escalators, as an occasional reminder of my tendency to take the easy path. Time will tell, but I think I might make it all the way to Easter this year. How about you?

## Where are the memorials?

Where are Australia's memorials to the fallen First Nations people?

Recently I sat in Electra Street Uniting Church, Williamstown and looked up at large ornate wooden memorial plaques dedicated to the soldiers of two world wars.

My two brothers, Alan and Brian have their names and service recorded on an honour board in Meeniyan Uniting Church, South Gippsland.

Many churches throughout Australia followed the civil religion's remembrance of young men killed in fighting foreign wars, evidenced by granite columns and statues in public places, such as Station Place, Werribee.

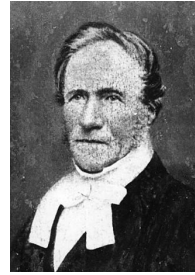

Henry Reynolds, writing in *Why Weren't We Told?* (Penguin books 1999) records the documentary evidence gathered to verify the reality of frontier violence and Aboriginal resistance during the first century of invasion and occupation by settler Europeans. His examination of school texts and histories of Australia written by academic historians shows that up to the 1960s, Aboriginal presence in this country was ignored.

There was no peaceful settlement but violent encounters in every part of this country.

The map of this country is sprinkled with European names carrying a sinister message: "Murdering Plains, Fighting Hills, Skeleton Creek, Convincing Ground." The memory of wars fought between invading settlers and Aborigines has been expunged, replaced by a great silence.

I note that to date the Australian War Memorial in Canberra has refused to acknowledge the more than 20,000 deaths of blacks and whites during the struggle for seizure of Country occupied by blacks for more than 60,000 years.

Why weren't we told; and why is there hateful resistance to telling the truth?

I remember sitting in St Andrews Presbyterian Church, Queenscliff as a teenager, looking at the memorial tablet to the Rev. James Clow, (pictured) a pioneer Christian minister who seized 140 acres of land in 1839 from the custodians of Country that he called "Oakhill" near Point Lonsdale. Clow then

occupied 36 square miles of land he called "Tirhatuan" near Dandenong. What happened to Clow's dispossessed blacks, denied their food sources? Where is their memorial?

## An important occasion

Last Sunday's celebration of the joining of our two former congregations to create this Werribee Uniting congregation was an important occasion that will have continuing and valuable ramifications for our joint life. The new church council has a vital role to play in setting new directions in response to God's call, and prayerful support from every member of the congregation is needed.

## Faithful Futures Project

Our Synod is working to prepare the Church for the next 10–15 years. There are common challenges and opportunities for the Church across Victoria and Tasmania. Some of the challenges include the changing age profile and size of congregations, the availability of leadership, and the burden of property maintenance. Some of the opportunities include growing in ways of worship, witness and service that are already being experimented with, listening for where God's Spirit is inviting us to reach out in faith, love and hope.

Our vision is summed up as *Following Christ, walking together as First and Second Peoples, seeking community, compassion and justice for all creation.*

A letter from the Moderator, David Fotheringham, providing more detail can be obtained from the office.

We acknowledge the people of the Kulin alliance, the original custodians of the land which was never ceded and on which our buildings for worship stand and we gather.

## 18 February 2024: Lent 1

### Musings from Rev. Mark Dunn

Ask anyone who grew up Catholic what they're doing for Lent and they'll probably tell you what they're "giving up". The notion of giving up some pleasure for the 40 days of Lent is very much in keeping with the penitential character of the season.

The primary pillars of Lent for all Christians are prayer, fasting, and sacrificial giving. These are intended to turn our hearts back to God, to purify us and prepare us for the celebration of Christ's resurrection at Easter. One of the things that the whole Church gives up for Lent is the acclamation "Alleluia".

I really like the Pope's list - in fact I'm becoming a bit of a fan of this Pope: *Do you want to fast for this Lent?*

- *Fast from hurting words and say kind words.*
- *Fast from sadness and be filled with gratitude.*
- *Fast from anger and be filled with patience.*
- *Fast from pessimism and be filled with hope.*
- *Fast from worries and trust in God.*
- *Fast from complaints and contemplate simplicity.*
- *Fast from pressures and be prayerful.*
- *Fast from bitterness and fill your heart with joy.*
- *Fast from selfishness and be considerate to others.*
- *Fast from grudges and be reconciled.*
- *Fast from words and be silent so you can listen.*

Some years I've been too ambitious with my goals and then been deflated when I've not been able to keep that discipline.

So, this year, I'm trying a different tack. For Lent, I'm trying to give up a grudge that I've been quietly carrying around for a while. I've also given up lifts and escalators, as an occasional reminder of my tendency to take the easy path. Time will tell, but I think I might make it all the way to Easter this year. How about you?
